

# McCabe H2O Plus+ Water Level Indicator Paste

Official Safety Data Sheet (SDS)

## 1. Product & Company Identification

Product Name: McCabe H2O Plus+ Water Level Indicator Paste  
 Item Number(s): MC 101  
 Relevant Identified Use: Detects free water in petroleum storage tanks  
 Restrictions On Use: **For Industrial Use Only**  
 Manufacturer: McCabe & Sons, Inc.  
 771 Clark Road  
 Danville, VT 05828

|  |
|--|
| <b>For Emergencies Involving A Spill, Leak, Fire, Exposure or Accident, Contact:</b><br>McCabe & Sons, Inc. (802-748-6840) |
|--|

## 2. Hazard(s) Identification

| Hazard Classification                                | Hazard Statements      | Hazard Category |
|--|------------------------|-----------------|
| H315 Skin corrosion/irritation (chapter 3.2)         | Causes skin irritation | 2               |
| H320 Serious eye damage/eye irritation (chapter 3.3) | Causes eye irritation  | 2B              |

Signal Word: **Warning**

Hazard Pictograms:

Precautionary Statements:

- P264 Wash hands thoroughly after handling.
- P280 Wear eye protection.
- P302+P352 IF ON SKIN: wash with plenty of water.
- P332+P313 If skin irritation occurs: Get medical advice/attention.
- P362 Take off contaminated clothing and wash before reuse.
- P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing.
- P337+P313 IF eye irritation persists: Get medical advice/attention.

## 3. Composition/Information on Ingredients

Chemical Characterization: Mixture

| Chemical Name                              | Synonym | CAS # | Concentration |
|--|---------|-------|---------------|
| Chemical Identity Withheld as Trade Secret |         |       |               |

## 4. First Aid Measures

- After Inhalation: Remove victim to fresh air. Administer oxygen if breathing is difficult. Seek medical attention if respiratory irritation or distress continues.
- After Skin Contact: Wash with plenty of water. If irritation occurs, seek medical attention. Wash contaminated clothing before re-use.
- After Eye Contact: Flush with a gentle, steady stream of water for at least 15 minutes. If irritation persists, seek medical attention.
- After Swallowing: Rinse mouth. Only induce vomiting at the instruction of medical personnel. Never give anything by mouth to an unconscious person. Seek medical attention if you feel unwell.

### 5. Firefighting Measures

|                                     |  |                               |     |
|-------------------------------------|--|-------------------------------|-----|
| Suitable Extinguishing Media:       | Dry chemical, carbon dioxide, foam, water spray. |                               |     |
| Specific Firefighting Measures:     | N/A  | Special Protective Equipment: | N/A |
| Unusual Fire and Explosion Hazards: | N/A  | Special Precautions:          | N/A |

### 6. Accidental Release Measures

|  |  |
|--|--|
| Personal Precautions/Protective Equipment: | Wear proper protective equipment to minimize exposure.   |
| Emergency Procedures:                      | Dispose according to State, Federal & Local regulations. |
| Environmental Precautions:                 | N/A  |

### 7. Handling & Storage

|                                 |  |
|---------------------------------|--|
| Precautions For Safe Handling:  | Wear safety glasses and gloves as appropriate to minimize skin contact.<br>Use product only as intended. Do not eat paste.                                   |
| Recommended Storage Conditions: | Protect against physical damage. Store in a cool, dry, well ventilated location away from incompatibles. Do not store in unlabeled or mislabeled containers. |

### 8. Exposure Controls / Personal Protection

|  |   |
|--|---|
| OSHA Permissible Exposure Limits (PELs): | N/A   |
| ACGIH Threshold Limit Values (TLVs):     | N/A   |
| Appropriate Engineering Controls:        | None under normal use conditions.   |
| Personal Protective Measures:            | Wear safety glasses with side-shields or splash-proof goggles to avoid eye contact. Wear protective clothing, including gloves, lab coat, apron or coveralls as appropriate to minimize skin contact.                     |
| General Industrial Hygiene Practices:    | Wash with soap and water before meals and at the end of each work shift. Good manufacturing practices require amounts of any chemical be removed from the skin as soon as practical, especially before eating or smoking. |

### 9. Physical & Chemical Properties

|                        |             |                        |         |                     |            |
|------------------------|-------------|------------------------|---------|---------------------|------------|
| Appearance:            | Green Paste | Odor:                  | None    | Odor Threshold:     | Unknown    |
| pH:                    | N/A         | Melting Point:         | N/A     | Freezing Point:     | Unknown    |
| Initial Boiling Point: | >267° C     | Boiling Range:         | Unknown | Flash Point:        | 355-375° F |
| Evaporation Rate:      | Unknown     | Flammability (Solid):  | Unknown | Flammability (Gas): | Unknown    |
| Lower Explosive Limit: | Unknown     | Upper Explosive Limit: | Unknown | Vapor Pressure:     | 1          |
| Vapor Density:         | Unknown     | Relative Density:      | 1.7     | Solubility:         | Partial    |
| Log Kow:               | Unknown     | Auto-Ignition Temp:    | Unknown | Decomposition Temp: | Unknown    |
| Viscosity:             | Unknown     | VOC Content:           | None    |                     |            |

### 10. Stability & Reactivity

|                     |  |
|---------------------|--|
| Reactivity:         | No information available.  |
| Chemical Stability: | This product is stable under normal handling & storage conditions. |
| Other Information:  | No information available.  |

# McCabe H2O Plus+ Water Level Indicator Paste

Official Safety Data Sheet (SDS)

## 11. Toxicological Information

Routes of Harmful Exposure: Skin, Eye Contact      Acute Toxicity Estimates: N/A  
Delayed, Immediate or Chronic Effects: Unknown  
Observed Symptom Descriptions: May cause skin dryness or irritation. Expected to be an eye irritant due to texture.  
Known or Suspected Carcinogens: None (NTP, IARC, OSHA)

## 12. Ecological Information

Ecological Toxicity Data: N/A      Adsorption or Leaching Concerns: None known  
Persistence & Degradability: 100% Biodegradable      Other Adverse Effects: None known  
Bioaccumulation Potential: Not expected to bioaccumulate

## 13. Disposal Considerations

Waste Disposal Recommendations: Dispose according to local/regional regulations.  
Ecology - Waste Material: Avoid release to the environment.  
EPA Hazardous Waste: No

## 14. Transport Information

US Department of Transportation: Not Regulated for Ground Transport

## 15. Regulatory Information

Inventory Status: All components included on TSCA, DSL, EINECS/ELINCS, AICS, MITI, KECL Inventory Lists.  
Federal Regulations: All functional components of this product are listed on the TSCA inventory.

## 16. Other Information

California "Prop 65": This product contains no chemicals known to the State of California to cause cancer, birth defects or other reproductive harm.

**This information is furnished without warranty, expressed or implied, and is believed to be accurate to the best knowledge of McCabe & Sons, Inc. The data on this SDS relates only to the specific material design herein. McCabe & Sons, Inc. assumes no legal responsibility for use or reliance upon this data. This product has been classified according to the hazard criteria of the CPR and this SDS contains all the information required by the CPR.**
